

Society History

During the '40s the grandfather of Mr. Ercolano opened a small workshop and taught his son Giuseppe the love for this traditional work, which has turned into an art school and then in a company. Mr. Ercolano Orlando, the current owner, during the 90s took over the company and continues the tradition of inlay blending modern art with traditional techniques inlaid.

*Sofia line

Sofia re-interpretes
the art of italian living,
coupling the creative fancy
with the harmony of the
proportions
and the warmth
of the shape.

*Columbus line

Columbus collection is a “must have” for dreamers and worldwide explorers being romantic in mood, and expression of their individual freedom.

*Roger line

Working out the Design
Language of carbon Fiber
to create a modern and
contemporary collection.

*Zag line

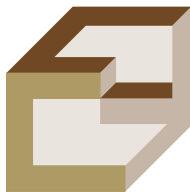

Bold and Innovative.
This collection
represents a pushing
of all the boundaries
and it is addressed to
people who refuses
Norm and status-quo.

*Utopia line

Utopia collection
is a modern and
contemporary design
exploiting the evocative
interrelation between
color and form to create
an aesthetic experience
that engaged the sight,
sound and emotion
of people.
