CARD SIZE 4" X 6.5"

Vanilla Cupcakes ✂

INGREDIENTS: 1 cup sugar, 1/2 cup butter, 2 eggs, 2 tsp. vanilla, 1 1/2 cups all-purpose flour, 1 3/4 tsp. baking powder, 1/2 cup milk. Makes 12-18 cupcakes.

DIRECTIONS: Preheat oven to 350° F. In a medium bowl, cream together the sugar and butter. Beat in the eggs, one at a time, then stir in the vanilla. Combine flour and baking powder, add to the creamed mixture and mix well. Finally, stir in the milk until batter is smooth. Pour or spoon batter into cups. 3/4 full if using a muffin pan or 1/2 full if using a cookie sheet. Bake 20 to 25 minutes. Allow to cool fully before icing.

PRIVATE LABEL & PACKAGING PROGRAMS

Our dedication to our customers' and clients' needs extends into an amazingly flexible private label program, in which our marketing team can create unique and customized designs and color combinations or, we can easily integrate your proven design concepts and logos.

We provide highly targeted private label programs in any requested language.

We can customize the artwork of the baking cups as well as the product packaging to suit customer requirements -- or you can select from our complete line of baking papers and have us package the product to fit your retail image and price point.
