RESINWARE AUSTRALIA

Dear Valued Customers,

Welcome to Nashi Home Resinware Australia.  
It is our great pleasure to introduce you to Nashi Home and tell you our story.

### Our Mission:

To create beautiful and functional resin tableware and lifestyle products that bring the Australian carefree lifestyle, love of alfresco dining and sublime coasts into people's homes and lives.

### The Nashi Family:

Nashi Home is a family run business that was created in Sydney Australia by husband and wife team, Craig and Natalie Wunsh.

The name Nashi comes from our names, Natalie (Na) and our children Shira (sh) and Rafi (i).  
(Baby Noah is yet to find his place.)

### About Us:

Nashi Home started when we became tired of plain uninspiring homeware products. We created a practical and beautiful range of resinware with sole intention to liven up your home, your restaurant, your hotel and your function.

We specialise in the design and manufacturing of quality hand-crafted resin homewares and lifestyle products for every occasion.

The Nashi Home product range consists of Bowls, Platters, Vases, Salad Servers, Cake Stands, Pendant Lights, Picture frames, Bathroom Accessories / Basins / Sinks and much more.

### Our Inspiration:

Our inspiration for our homewares comes from many of our iconic Sydney beaches. The majestic waves, beautiful aqua water, sand and tropical climate can be seen in the swirls, texture and vibrant color of our pieces.

If you have any questions, ideas, bespoke requests or collaborations then please do not hesitate to contact us directly.

With Thanks,

*Craig and Natalie*
