SILK FLOWER & FAUX PLANT

771L SILK FLOWER & FAUX PLANT CLEANER 12 OZ.

A REVIEW FROM THE GOOD HOUSEKEEPING INSTITUTE EVEN TEDDY BEARS NEED TO TAKE A BATH.

821 TEDDY BEAR CLEANER 12 OZ.

"Your child may think his stuffed toys can go everywhere, but there's one place many of them don't survive: the washing machine. The spin cycle could cost Boo Bear an arm or a leg, and if you hand-wash it, the toy may end up with stiff fur. Enter Teddy Bear Cleaner by Siege, a new spray product that promises to wipe away dirt and keep your beloved plush toys cuddly." But can it tackle the soil build up from constant kid use? To find out, our home care pros smeared 13 stain makers-from green paint to glitter glue to grape juice-on hand-washable bears. Even after letting the mess sit for more than a day we found that Teddy Bear Cleaner removed most stains (a faint spot of hot pink marker and a few specks of glitter remained) and left the fur soft. In contrast, bears hand-washed in dish- washing liquid still looked dirty and felt coarse."
